Board Meeting July 7, 2017 7:30 PM

Location: Ron Trupp's home

Present: Ron Trupp, Susan Chartier, Bonnie Hebert and Judy Coker.

Absent: Steve Roberts.

Treasurer Report: See attached.

Ron reported that the last assessment monies owed the association came in today. We are one hundred percent paid up for 2017.

Green seasons will be paid for July and XI Technologies yearly contract will be paid.

Bonnie made a motion to accept the treasurer report. Susan seconded. All In favor.

Ron received an email from Representative Scott Simon's assistant in which she stated that Hwy 21 from Hwy 1083 to Bush is not slated for resurfacing until 2021. We discussed plans to follow up with our neighboring subdivisions as a possible means of moving up the date.

Mike Wolford was unable to attend but advised the board that he is following up with several projects.

Susan discussed how she is working with Mr. Clark on ways to better the quality of the lake and quality of fishing.

After reviewing all the bids for maintenance of the trees on the boulevard, Susan made a motion to accept the bid from Tree Tech. for \$2700.00. This bid was to trim all the trees on the boulevard and repair one that had a large cavity, as well as remove a tree behind the front sign with all debris removed from the premises. Bonnie seconded. All in favor.

Susan reported on bids received to investigate whether there is viable electricity lines at the front entrance. This was tabled to later meeting.

Judy read the minutes from May 29, 2017 meeting. Ron made a motion to accept the minutes. Bonnie seconded. All in favor.

Ron made a motion to adjourn the meeting. Bonnie seconded. All in favor.

Meeting adjourned at 10:45 PM.
